

PHILIPPINE JOURNAL OF Ophthalmology

A PUBLICATION OF THE PHILIPPINE ACADEMY OF OPHTHALMOLOGY • FOUNDED IN 1969

VOL. 48 NO. 2 • July - December 2023

- Celebrating 30 Years of Pioneering Excellence: The Remarkable Journey of the Philippine Society of Ophthalmic Plastic and Reconstructive Surgery
- Increasing Response to the Call for Complete and Updated Data on Retinoblastoma in the Philippines
- Treatment Outcomes of Retinoblastoma Patients at a Tertiary Government Hospital in the Philippines
- Capacity to Treat Retinoblastoma in the Philippines
- Bilateral Frontalis Sling for Surgical Correction of Unilateral and Bilateral Severe Congenital Ptosis with Poor Levator Function
- Orbital Subperiosteal Abscess Secondary to Osteomyelitis in a Patient with Chronic Sinusitis
- Cholesterol Granuloma as a Rare Differential in Bone Erosion of the Orbit: A Case Report
- A Case Report of a Transorbital Penetrating Intracranial Injury from a Motorcycle Side Mirror Metal Bar
- A Case Report of Scleral Buckle Implant Mimicking An Orbital Tumor
- Epithelial-Myoepithelial Carcinoma of the Lacrimal Gland - Case Report and Review of Literature
- Cytopuncture Microbiopsy during Transcanalicular Endoscopic Lacrimal Duct Recanalization: A Novel Approach

Editorial Team

Editor-in-Chief

Franz Marie O. Cruz, MD, DPBO, FPAO

University of the Philippines-Philippine General Hospital
Manila, Philippines

Peregrine Eye and Laser Institute, Makati City, Philippines
St. Luke's Medical Center, Quezon City, Philippines

Managing Editor

Charisse Ann S. Tanlapco, MD, DPBO, FPAO

Ilocos Training and Regional Medical Center

San Fernando, La Union, Philippines

Region 1 Medical Center, Dagupan City Pangasinan, Philippines

The Medical City Pangasinan, Dagupan City, Pangasinan

Editorial Board

The PHILIPPINE JOURNAL OF OPHTHALMOLOGY (PJO) is the official journal of the Philippine Academy of Ophthalmology. It aims to provide a venue for exchange of ideas and information among ophthalmologists and other physicians. It publishes peer-reviewed

reports of original clinical and laboratory investigations, epidemiological studies done in the Philippines and other countries, major reviews of specific topics, evaluation of diagnostic and surgical techniques, treatment methods, latest updates and controversial issues in ophthalmology.

Initially published quarterly, the very first issue was dated January - March 1969 and entered as third-class mail at the Manila Post Office on February 13, 1969.

Journal International Standard Serial Number:

PHISSN 0031-7659

MISSION: To provide up-to-date medical and scientific information on ophthalmology.

VISION: The Philippine Journal of Ophthalmology is a peer-reviewed journal that provides a venue of exchange of medical and scientific information related to ophthalmology and visual sciences.

Notice to Readers and Contributors

Submission

Electronic copy of manuscripts in editable Microsoft Word document may be emailed to pao_pjo2007@yahoo.com.ph. Authors are directed to read and abide with the instructions to authors first on the website of the Philippine Journal of Ophthalmology. Along with the manuscript, authors must submit a duly-accomplished and signed copyright transfer. No manuscript will be reviewed until the signed copyright transfer is received.

The PJO is an open access, purely online, peer-reviewed journal. Manuscripts submitted for consideration are reviewed by editors and other experts in the field. Reviewers are consultants to the editor and are instructed not to discuss the paper with the authors. Reviewers should not cite the manuscript or refer to the work it describes before it has been published. Reviewers should refrain from using the information contained in the manuscript for the advancement of their own work or that of their colleague or institution.

Disclaimer

Statements and opinions expressed in the articles and communications herein are those of the author/s and not necessarily those of the Editor/s or the Publisher (Philippine Academy of Ophthalmology). The Editors and PAO assume no responsibility for any injury and/or damage to persons or property as a matter of product liability or negligence or which otherwise arise from use or operation of any methods, products, instructions, or ideas cited or discussed in any article in the Journal.

Although all advertising materials are expected to conform to ethical and medical standards, the appearance of advertising in PJO does not constitute a guarantee or endorsement by the PJO or the PAO of the quality or value of the product or the claims for it by its manufacturer.
